

REMARKS

Claims 1 to 18 have been canceled without prejudice, and therefore claims 19 to 36 (which were previously restricted in the parent application) are now pending in this divisional patent application.

In the specification, the Related/Priority Application Information has been added. No new matter has been added. Approval and entry are respectfully requested.

It is respectfully submitted that the present invention is new, non-obvious and useful. Prompt consideration and allowance of these claims is therefore respectfully requested.

Respectfully submitted,

KENYON & KENYON
